Advancements in Software Engineering

August 10-18, 2018

A Brief Report of the Workshop

A workshop of one weeks duration on Advancements in Software Engineering has been organized at Jaypee University of Engineering & Technology during August 10-18, 2018, by the Department of Computer Science & Engineering. Dr. Carsten Mueller [ITG, Nuremberg, Germany (http://www.itg-research.net/)] was the Main Resource person of this workshop.

A total of 68 participants have participated in this workshop with full enthusiasm. Outcome of the workshop was well appreciated by the participants and workshop was completed with a positive note that such events should be organized frequently.
